Latest Treatments for Painful Hips

NATIONALLY CERTIFIED FOR
HIP REPLACEMENT SURGERY

Is the terrible pain of hip arthritis starting to slow you down?

Sacrificing your active lifestyle - whether it's hiking, biking, running or playing sports - is not the only option. There are many treatments that can reduce the pain and help you enjoy an active lifestyle once again.

Come hear Boulder and Longmont's only fellowship-trained hip and knee replacement specialist describe the newest approaches for relieving the pain of an arthritic hip, from anti-inflammation medicines to innovative surgical options, including MAKOplasty® and anterior hip replacement.

Speaker C. Brian Blackwood, MD, with Mapleton Hill Orthopaedics
